showing their pussies and their reasons should be respected. I for one am a big fan of both Ashley Sage and Karla James, for two reasons. The first is that they are both very beautiful women that want to show off their big tits. The second is that they don't show us everything, leaving something for our imagination. I like that.

I respect all points of view, but I ask my fellow readers that are bashing Ashley Sage and Karla James, and the women that don't show pussy, to stop doing that. Ordering the people at The SCORE Group to stop running their pictures should also stop. We read SCORE and Voluptuous magazines to see beautiful women with big tits. Pussies should be secondary.

To all my fellow readers ENJOY THE BIG TITS and to

SCORE and Voluptuous magazines keep the beautiful women with the big tits coming!-L.H., New York

HE NEEDS TO SEE PINK OR NOTHING AT ALL...

Dear Voluptuous,

Your September 2011 issue; is this V-mag or XL Girls Magazine? Most of the girls are big. Sorry, not to complain and yet, what a beautiful photo of Kali West on page 27. And Terri Jane...WOW! She is a new Brit who has already removed her panties and posed "au natural" and yet Karla James still keeps on posing with her flesh-colored knickers in place. Either get her to expose more of her body or quit showing her. She's not "all that".-Ed, via the Internet

HE DOESN'T NEED TO SEE THEIR PUSSIES...

Dear Voluptuous,

This e-mail I am sending to both SCORE and Voluptuous magazines. I hope to see this in both magazines.

I just wanted to comment again on a debate that has been raging through both Scorecard and V-mail for a while about models like Ashley Sage Ellison and Karla James not showing their pussies in the mag.

SCORE and Voluptuous magazines are all about beautiful women with big tits wanting to take off their tops and share with the world their well-endowed chests, not just for our enjoyment but also for theirs. I know that most of the models that we see in both of these magazines do show their pussies and some even to XXX hardcore layouts and movies. That is all well and good and I enjoy seeing those layouts and movies.

What everyone needs to realize is that there are women that want to pose for SCORE and Voluptuous magazine and only want to show off their tits. These women have their reasons for not

To show pink or not to show pink? The debate as to whether all models should show their pussies rages on. Some readers think that seeing models Ashley Sage and Karla James' breasts are enough. But some want them to get hotter. What's your opinion?

Danica Danali made her debut in the August 2011 issue as the Plumper of the Month. Her curves made many V-mag readers happy...in their pants.

THEY BOTH THINK THAT DANICA DANALI'S THE SEXIEST NEW PLUMPER

Dear *Voluptuous*,

I recently picked up your August 2011 issue and I have to say that Danica Danali is by far the sexiest plump newcomer that I have seen in years. Everything about this woman is perfection. She has such a beautiful face with those gorgeous eyes and those pretty lips. I also love her dark hair and her soft, pale skin. The beautiful face on this woman is one thing, but then...that

body is absolutely to die for! She has an amazing ass, wonderful thighs, very cute feet, and a lovely stomach. Plus, don't even get

me started on those natural 38J's. I may be a bit partial towards this particular woman because so much about her resembles my wife, but so be it. Danica is my new favorite model, and I hope that you include her in many future issues. Thanks for bringing in this absolutely enticing plump beauty! Bring her back soon. -B.C., Charlotte, North Carolina

Dear *Voluptuous*,

I was very excited to open your August 2011 issue and see the new plumper, Danica Danali. I think that she is one of the hottest plumpers that you have featured and I would like to see more of her. She has a very pretty face and while I am not always a fan of the plumpers, there is something very sexy about this woman. She has a great sex appeal that comes right off the page. I wonder if she does boy-girl scenes and if you will feature her XXX soon? I, for one, would love to see her in all sorts of sexual positions. -U.O., via the Internet

NATALIE FIORE'S BEEN A VERY NAUGHTY GIRL

Dear Voluptuous,

In the August 2011 issue of V-mag, you featured Natalie Fiore in a sparkling top and I must say that the woman shines more than her choice of clothing! She is a diamond! I loved all of her photos, but my favorite was one on page 23 where she is bending over and you can see her face, her tit and her spankable ass in this red thong. That picture sent me over the edge! I had an instant fantasy where Natalie was in a schoolgirl outfit and I was her professor. I leaned her over her desk and told her that she had been a very naughty girl and I pulled her skirt down and gave her a spanking. It was so amazing that I came all over my mag and Natalie's photo. Can you reprint the photo for me? And can you tell me where to get my hands on a new copy of the August 2011 issue of Voluptuous? I tried to get it at the adult store that I usually buy my V-mag issues at, but they were sold out! I would love it if you could help me out. Natalie is one of my favorite models of all time! Thanks!-D.J., via the Internet

Dear D.J., We have your bonus shot for you, buddy. And you can score your new copy of the August 2011 issue by turning to page 10. We suggest you order a few copies since there is no telling if you will splatter Ms. Fiore with your batter again! Or, if you would like to get your issues delivered right to your door, turn to page 4 and subscribe to

V-mag. You will never run the risk of missing an issue and you will never see the SOLD OUT sign, either!

A FAN SUGGESTION IN REGARDS TO SOME NEW BOOB TALENT

Dear Voluptuous,

Hi, I've been a fan of SCORE for a good while and I just started reading Voluptuous. May I say you guys have done a wonderful job. There is one thing I would like to suggest. There is a model that you guys might want to take a look at. I'm not sure if you have featured her before or not but her name is Sophia Rose. She is a very big girl but she still has like an hourglass body. She has very ample breasts. They might be like an H-cup or bigger. She also has a very ample ass, something like 50-inches. She's very beautiful and I know a lot of guys like Latina women. She has a big following from what I understand and is somewhat successful. You guys managed to pull Kristina Milan, Miosotis, Vanessa Del and probably many more who were successful in the adult industry beforehand. So if it is possible, I think it would be a good idea to take a look at her.- M.A.G., via the Internet

ELAINA GREGORY AND HER SEXY STOCKINGS!

Dear Voluptuous,

I think it's important to write in and

Continued on page 18

Reader D.J. says that this photo of Natalie Fiore from her layout in the August 2011 issue of V-mag inspires a lot of spanking fantasies and a wanking reality, too!

tell you guys that you are doing a great job because too often I read letters in the V-mail section from readers who are constantly criticizing the mag. Each issue that I get is wonderful. There are always stunning newcomers and tons of models that I enjoy seeing over and over again. There are always surprises and lots of variety, which is what makes *Voluptuous* better than any other big tit magazine around.

One of my favorite new models is Elaina Gregory and you guys out did yourselves with her pictorial in the August 2011 issue. She looks very glamorous and I for one am a huge fan of women in stockings. (I even subscribe to your magazine, *Leg Sex*!) i would love it if *Voluptuous* featured more models in garters and stockings and pantyhose. I think that women look better when they are dressed in classy outfits. Maybe it's because I am older, (I am 61 and still young at heart!) but I remember when women wore stockings and dresses all the time. It looks classy and polished. I would love to see more of it. As for Elaina, there are a lot of wonderful shots of her in her pictorial. Kudos for the picture of her on page 60. It's fantastic! one of my favorites because it shows off her enticing asshole and the sexy soles of her feet.-S.G., Tampa, Florida

Like stockings? Well, then this shot of Elaina Gregory is for you!

Maserati

Built For Speed & Cumfort!

Sometimes a model walks into our Miami studios and we all say, "Wow! Look at her tits!" That was the case when Maserati strolled in with her 34H cannons and bowled us all over. This Jamaica-born, mocha-mammed goddess stands a mere 5'4" and boasts measurements of 42-26-38. Those are some serious curves for someone of that stature. What else did we find impressive about Maserati? (Other than her name, of course.) Well, she loves to read. She spent her downtime in-between shoots with her face in her Kindle. Okay, not impressive enough? Well how about this 25-year-old brick house just learned to masturbate recently, too? Yes, you read that right.

"I know it sounds crazy, but I never knew how to masturbate," she said. "I just always had boyfriends and never needed to, I guess. In fact, it wasn't until a year and a half ago, when my friend took me to a sex party after a break-up, that I bought my first vibrator. It was a life-changing experience! [Laughs.] Now, I have five different vibrators and I cum twice a day!"

"Pull my strings..."

Want to get your hands on Maserati's naughty string bikini? Sure you do!

Maserati's string bikini is just that...a series of teeny, tiny strings that were wedged in all the places that you'd like to place your cock. That's why she was happy to sign it so one lucky winner could get his hands on it. Are you that winner? Enter and find out! Send a letter to The SCORE Group, WIN MASERATI'S BIKINI at 1629 N.W. 84th Avenue, Doral, Florida 33126 and include your name, mailing address and date of birth. A winner will be announced in an upcoming issue of V-mag.

But even though Maserati is new to the ways of self-pleasure, she is no stranger to the ways of shared pleasure. This hottie confessed to us that she loves to have sex in public places. "I think that I like having sex in public because I love the rush of almost getting caught. I recently had sex under a stairwell at a baby shower! I just pulled my dress up and we went at it. Afterwards, we went back to our table and no one was the wiser!"

Busty Bubble Bath

Karla James

Even nice girls get dirty, sometimes. That's why stacked stunner Karla James needs a bath, and what else but a bubble bath would do for this curvy cutie? She starts off wearing this clingy, purple lace dress that caresses every curve of her voluptuous body. It also gives us a good look at some of Karla's other features that sometimes get overlooked; her tight ass and sexy legs. Seeing her big tits straining against the lacey fabric is not half-bad, either. But things heat up pretty quickly and this bath turns into a cock-hardening affair when Karla climbs in and lets those bubbles caress every curvaceous inch of her body.

Karla spends time lathering up her bosom and playing with the bubbles, letting them fiz on her hard nipples. Once Karla gets in the tub, she seems to be inviting us to join her. She strips her tiny panties right off, looking at the camera and playfully holding her tits up for inspection. Looking at these photos, it's hard to imagine that Karla once told us, "I'm really camera shy!" Hard to imagine because Karla and the camera seem to be a perfect match, and she projects her sexuality right through the lens.

"When she gets out of the tub, she's completely naked, something we haven't seen much of so far. Is she turning up the heat on purpose? This sex kitten feigns innocence about her charms. "I wasn't trying to be sexy. I was just trying to have fun. But, of course, every girl knows that there's nothing sexier than a warm, sensual bubble bath." You certainly burst our bubble, Karla.

When Julia first appeared in V-mag's April 2011 issue, she was dressed up in a pink outfit that made her look like a curvy cotton candy fantasy. Now, she's back and she is getting herself a big helping of chocolate! Julia's making her XXX debut in this steamy interracial hardcore pictorial with Mr. Stone and definitely enjoys sucking and fucking his lance of lust to the hilt. How do we know that she's having a good time? Her lusty grin above tells the whole story!

Julia Jiggs

Julia is a burlesque performer in Las Vegas and you see some of that striptease flair and burlesque training in her body language before the couple gets down to getting down. Julia is an exhibitionist and enjoys being naked. "I love to show off my boobs, so anything I wear shows them off. Low-cut tops and tight blouses with push-up bras; the tighter and sluttier the outfit, the better" she said. Julia is also a kinky fetish lover and into all kinds of off-the-wall sexual predilections.

Julia likes to play nasty and she says she wants a black shaft inside her cunt, fucking it as hard as possible. "I told him to fill my whore pussy with his big, black cock, spank me and cum on my tits. He loved it." The filthy talk pours out of Julia's mouth and she grinds her wet pussy briskly on Stone's pole. But instead of washing out her mouth with soap, he fills it with his cock. Julia's no frail, brittle, skinny model type. She can take a fierce pounding from a pro stud and she gives back as good as she gets. "I like to switch from being fucked to doing some of the fucking. It's fun to have variety during sex. And it makes me cum harder, too."

Fresh and Frisky: FF-cuppper Beverly Paige

This bubbly brunette from California reveals all 'cause she

**wants to be
your new fave
busty babe!**

Interview by Maria Guerrero

There are moments when I meet a new model and I can automatically see that "Star" power about her. I had one of those moments when I met Beverly Paige. She was sitting in our styling room, in a terrycloth robe and she was fiddling with something and when I came in, she looked up at me and I thought, "She looks like a porcelain doll!" I thought for sure that she would be shy and quiet...one of those girls who is nervous

about being interviewed and reluctant to reveal too much. Boy was I wrong!

To label Beverly "shy" would be like calling Niagara Falls a "trickle" of water. This lovely 20-year-old is a bundle of energy and exuberance. While speaking to her, I thought back to my interview with Jenna Valentine and her valley-girl banter. Beverly is that kind of gal. She is engaging, she is well spoken and she has no qualms about telling anyone that she wants to be the number one porn star in the world. You have to admire that kind of horny drive.

We spoke about everything from her strict upbringing to the first time she had sex on camera and she never hesitated to answer my questions. And then, I saw her tits and I was, as they say, smitten. Beverly has a lot of charisma and spunk. She has girlish good looks and a sparkling personality that makes you feel like you have known her forever. And of course, when she jumped up and down, topless, right in front of my face, I really saw her, um, personality shine. Get to know this newcomer. She will make you cum, I promise.

V-MAG: Welcome to V-mag, Beverly! It is so nice to meet you! Tell me a little bit about yourself. Where are you from?

BEVERLY PAIGE: Thanks! Well, I was born in Northern California. And I was raised in Southern California.

V-MAG: Cool and how old are you?

BEVERLY PAIGE: I am 20.

V-MAG: Wow! 20! You're young. How did you start modeling?

BEVERLY PAIGE: Well, ever since I was little...well, have you heard of that game called, "M.A.S.H."?

V-MAG: [Laughs.] Yes! That was that game where you would name five cars you wanted, guys, careers...and then they would pick them off one by one until you got your fortune told, right?

BEVERLY PAIGE: Yes. Well when I was little and they would ask me to list what job I wanted, I would say, "I want to be a porn star!" That was always my career of choice. And when I was little, I always wanted big boobs. I would stuff my bra and walk around. Well, I wasn't careful what I wished for...[Laughs.] And then once I had boobs I knew I could be a porn star.

VmagTM INTERVIEW

V-MAG: So you made your dreams cum true and became a porn star...

BEVERLY PAIGE: Well, I started off as a web cam girl and then I went to a porn convention and I met the right people. And I wanted to do it really bad, so I had photos taken and before I knew it, I was here.

V-MAG: Okay, so let's back up a bit. You are 20. You have a great body. What are your measurements?

BEVERLY PAIGE: I am 42-30-32 and I

am a 36FF.

V-MAG: You have a nice frame. You said when you were little, you wanted big boobs. When did that happen?

BEVERLY PAIGE: I had the size boobs that I do now when I was in eighth grade, actually. And I never knew I was pretty. I never knew I was attractive. I had a strict dad. He didn't let me wear anything tight. I had to wear boys' clothes. I had to wear a T-shirt when I was swimming. I was a tomboy

and boys picked on me a lot. They would tease me and push me. I never thought that they liked me. And now, I have put up pictures of myself on the web and guys from middle school find me and contact me in shock over what I look like now.

V-MAG: What was that like? I mean, you were a tomboy with huge boobs!

BEVERLY PAIGE: Well, by the time I was in high school, I couldn't take gym because my boobs were too big. So

there was a time that I hated my big boobs. Because I had strict parents and because of my boobs, they wouldn't let me go anywhere. I couldn't have boyfriends. I couldn't wear the cutesy, little tank tops that all my friends could. I couldn't find a swimsuit that fit. I couldn't find a dress for prom. But now, I buy custom bras and custom dresses. Now I have a better idea of how to dress. I've learned to embrace my curves as a woman, instead of trying to hide them all the time.

V-MAG: Were you one of those girls who tried to tape your boobs down so no one would see them?

BEVERLY PAIGE: [Laughs.] Yeah! And no matter what bras I found, they would never fit. I mean, I can't go to Walmart and pick out a bra. I didn't even know that there were sizes above a DD-cup. I didn't know what size

was! I would always pick the biggest size I could find and make it fit. I didn't have a bra that fit me the right way until I was 18 years old!

V-MAG: Where did you find it?

BEVERLY PAIGE: I went to a store named Total Woman and the saleslady asked me what size I was and I said, "I need a new bra, a DD-cup." She looked at me and said, "You are NOT a DD-cup." And at the time I was heavier, about 200 pounds and she measured me and I was an I-cup! I mean, now I have lost about 50 pounds and my breasts have gone down to about an FF-cup, but that is still very big.

V-MAG: So now you get custom bras?

BEVERLY PAIGE: Yes, there is a brand called Fantasie and they make bras for women that go all the way up to J.

V-MAG: Wow. Are they comfortable? Because I have big breasts and I hate stuffing my boobs into a bra where it squeezes and hurts me.

BEVERLY PAIGE: Yes! They are great. Because it's not only that bad bras fit wrong but they are always just white, brown, nude or black. Why don't we get the frills, sequins and lace? Why can't we wear hot pink bras? Fantasie makes bras that are sexy and colorful all for women with big breasts.

V-MAG: Thank you for this information! This is valuable!

BEVERLY PAIGE: [Laughs.] No problem. Women with big boobs need to know where to shop!

V-MAG: Okay, so now you know where to get your bras...but what about your clothes? How do you dress when you are out on a regular day?

BEVERLY PAIGE: [Laughs.] Well, when I am out with my friends, I wear a tank top. And yes, my boobs look huge. They are big! People stare at me and guys try to look down my shirt all the time. But I am used to it. I don't care anymore. As long as they don't touch me, I don't care. I mean I have big tits. I don't dress for the attention; I just don't fit into anything. [Laughs.]

V-MAG: Do guys whistle and stuff?

Maid To Order

Jennifer Vokova

When Jennifer first appeared in the October 2009 issue of V-mag, she was heartbroken because her then boyfriend had left her for some flat-chested skank. Her revenge? She found boob-lovers who would appreciate her curves and got a lesson in lust. Since then, this sexy G-cuppper has graduated from school and is currently working in a salon. (She trained

in cosmetology and spa procedures, like facials.) On the weekends, she works as a live-in nanny/housekeeper for a wealthy family in her homeland, the Czech Republic. And when her bosses go away on holiday, she likes to sneak some guys over and dress up in kinky costumes like this one. She makes one hell of a French maid, don't you think?

While she enjoys being a little wild, Jennifer is actually what you would call a nice girl. She was discovered by a *Voluptuous* reader living in Prague. When she is not working at the spa or at her nanny job, she likes to spend her time reading, cooking and watching movies. She told us that while she doesn't have a boyfriend right now, she likes to cater to men and likes to take care of them by making them meals and giving them massages. Sounds like girlfriend or wife material. You get home from work, she has a fine dinner ready and then she drains your balls all night.

Hobbies: Writing erotic fiction, karaoke and helping stray animals.

Porsche also likes to watch herself having sex and was into making dirty movies even before she became an adult model. "I even have some homemade porn movies that I used to watch all the time before I started doing porn. I really get into masturbating when I'm watching myself fuck someone on screen. I am a very visual person and watching a hard cock pound my wet pussy gives me a wild, screaming orgasm!"

"Hit it from
the back,
baby!"

Carrie Ashton

Carrie Ashton proves once again that even the sweetest girls have a freaky side. This Kansas cutie might look like the girl-next-door, but when she strips down and shows you her tattoos and pierced nipples, you know she is more wild than mild! (And that's just how we like her!)

"People always think that I am shy, but it is just because I am quiet," she said. "I don't like too much attention. I can't stand going out to restaurants because a lot of times, when I do go out, people stare at me because of my boobs and they act stuck up and full of themselves. That's not my idea of a good time. I prefer to get takeout and stay home and watch the game on T.V." But she's not all that boring. "I also like to stay home because I like to fuck and get my asshole fucked, too. That's fun to me." Sounds like a perfect night in to us!

"I don't really date guys who are into boobs, which is fine with me because I like guys who are into my ass. I like anal and I like being fucked from behind. I also like being spanked. I like to bend over and tell a guy to, 'Hit it from the back, baby.' They never say no to that, and being in doggie makes me cum hard. But if a guy is into my tits and he wants to suck on them, it's cool. I just ask him to be gentle because they are pierced and very sensitive. You have to treat them nicely and be careful with them." We are sure that Carrie has no problem finding a guy to fulfill those breasts requests.

your number! I love your tits.' I was like, 'My eyes are up here!' [Laughs.]

V-MAG: Do guys talk to you tits?

BEVERLY PAIGE: Oh, all the time.

And if I am with someone, they will probably name my boobs. [Laughs.]

V-MAG: Do you go out to clubs and stuff? Or nice dinners? What do you like to wear on those occasions?

BEVERLY PAIGE: I love dresses that accentuate my waist. I like things that have a sweetheart neckline. I love anything that is retro or 50's inspired. I like sexy pinup dresses. I love to wear heels. I like them better than regular shoes! I enjoy dressing up.

V-MAG: Do you always wear heels? Do you find that heels help your posture?

BEVERLY PAIGE: Yeah! I love wearing heels. I will wear heels for a man if I am cooking him breakfast. I will wear them for him. I think that anything that makes you feel sexy is okay. If you wake up in the morning and you look like shit, you are going to feel like shit. So, when I wear heels, it makes my legs look nice, my ass look good and it helps me to radiate confidence.

V-MAG: Let's talk about being confident. You said that when you were younger you got picked on and you weren't confident about your boobs. When did that change for you?

BEVERLY PAIGE: Um, I was smaller and I had big boobs and I got picked on because I was a tomboy and I sort of got to the point where I ate whatever I wanted. I gained a lot of weight. Got up to about 200 pounds and then people would make fun of me for being overweight. So, I stopped eating. I had a lot of problems with food. So, I went down to about 130 and I felt sexy. But then I started to eat again and when you starve yourself, you eat and all that weight comes right back really quickly. So, I had to come to terms with the idea that I had to eat and I had to be healthy. So now I fluctuate between 150 and 160 and I don't have a perfectly flat tummy, but I feel very sexy. I like my body.

V-MAG: Okay, so I know that guys hit on you in crazy ways, but what is the right way to pick you up? How should a guy approach you?

BEVERLY PAIGE: [Laughs.] Well, I am really defensive because guys try to hit on me for all the wrong reasons. It's dif-

ferent if a guy knows me and we have that level of friendship and then he hits on me. But if it's a stranger, I put up a wall because I know what he wants and I am not into that. Even if I want to sleep with a guy, I don't like guys to be overly aggressive with me. I will chase a guy. I like to be the predator, not the prey.

V-MAG: So, how do you hit on a guy?

BEVERLY PAIGE: I will tell a guy that he is sexy. That I like his shirt. I like beards. I think that they are sexy. I like kind of chubby guys. I like tall guys. I like to flirt with them! If we are at a club, I will dance with a guy.

V-MAG: Do you like to dance?

BEVERLY PAIGE: I love to dance!

V-MAG: What kind of music do you like?

BEVERLY PAIGE: I like Indie rock, but I will turn on the radio and dance my ass off. I was an exotic dancer for a couple of years. I did jazz, tap and ballet when I was growing up. I was a cheerleader. I love to dance. Dancing puts me in tune with my body. It makes me feel sexy.

V-MAG: How was dancing at the club? Because not a lot of strippers are your build or have big naturals...

BEVERLY PAIGE: [Laughs.] Well, dancing at the club was exhilarating at first because it was getting over a fear of being nude in public. I mean I was the girl who would change into gym clothes in the bathroom stall in high school! And first the girls intimidated me and I was trying to compete with them. Then I realized that every guy likes something different. When I was dancing, I was kind of heavy, but I could dance. You have to get over the fact that sometimes the other girls' bodies are going to be different than yours. Sometimes they're even going to be better than yours. But, oh well! Get over it.

V-MAG: Do you have any funny stories from the club?

BEVERLY PAIGE: [Laughs.] Um, there was this one guy who would sit at this table and tell me these horrible jokes and give me a dollar every time I laughed at his lame jokes. I would sit there for 30 minutes and make like \$50 just laughing.

V-MAG: That's kind of sweet in a weird way. Like, a very weird way.

BEVERLY PAIGE: [Laughs.] I know!

V-MAG: What do you do for fun?

BEVERLY PAIGE: I love to go shopping. Every girl likes to spend money. I like spa days where I get my nails and my eyebrows done. I love shoes! But I like to go to coffee shops and I like the

art scene, too. In California, I like to go see my friends perform poetry, comedy and music. I like to go to the beach.

V-MAG: What are your hobbies?

BEVERLY PAIGE: Um, I like to sew. When I was in high school, I would dress very punk rock and emo and I like to sew things for that. I like to do my hair and my makeup, too. I want to go to cosmetology school one day. It is something that I want to do. I love clothing and hair and makeup and making people feel sexy.

V-MAG: And what about when you are home and not glammed up?

BEVERLY PAIGE: I am the most homey girl of all time. I like to have people over and I will make them coffee. I love to bake. I like to make dinner. I like cleaning and cooking...

V-MAG: What do you like to cook?

BEVERLY PAIGE: I like cooking Italian food and I love to bake. I have a sweet tooth and I know other people who do, too. And I like to get people's feedback about my cooking. So, I will slave in that kitchen just to make you smile and make you happy.

V-MAG: So, you went from being a dancer to a cam girl and now you are in porn. How did that happen?

BEVERLY PAIGE: Well, I never did private dances and or escorting. I just went from dancing to being a solo Cam girl to being on Cam with another girl. And then with a couple. They told me, 'If you can do sex on cam for \$2 a minute, you can do porn.' They basically taught me the business.

V-MAG: So you started with girls? Do you like girls?

BEVERLY PAIGE: I am bisexual, yes.

V-MAG: Do you prefer guys or girls?

BEVERLY PAIGE: I love cock. It's my favorite. I love it.

V-MAG: Would you say you are submissive with men? Or dominant?

BEVERLY PAIGE: It all depends on people's personalities. I can switch. But I am very traditional in my gender roles. I believe that women should be submissive and men should be dominant. But it all depends on the person you are with. I can dominate women and be very submissive with men. Because it is very hard for me to dominate a man.

V-MAG: How far do you go with girls?

BEVERLY PAIGE: I have never done strap-on, but I love giving and getting oral from girls. They are so good at it.

V-MAG: When you are with a guy, how do you like him to turn you on?

BEVERLY PAIGE: It is very surprising because I have been with guys who pay no attention to my boobs!

V-MAG: Are you into that?

BEVERLY PAIGE: I love getting my nipples played with and licked. I love it! I feel like, "Hello! I have these! Play with these!" Guys just ignored them!

V-MAG: What do they tell you they like?

BEVERLY PAIGE: They like when I give them head. I have been told I am good.

V-MAG: What is important during head?

BEVERLY PAIGE: You can't just put a cock in your mouth. That's like a guy putting his fingers in you and that's it. You need suction without teeth. You need to use your hands and lick the right places. You have to look at your partner and see what he likes and what is turning him on. Everyone is different.

V-MAG: Are the balls important?

BEVERLY PAIGE: I just don't want balls in my mouth. I am all about the cock.

V-MAG: Are you a spitter?

BEVERLY PAIGE: I will ask the guy where he wants to cum; on my tits, on my back on my face. If he wants to cum in my mouth, if it tastes good, okay, I am cool with that.

V-MAG: Do guys like to titty-fuck you?

BEVERLY PAIGE: They do at first. It's a novelty. But guys love pussy. Usually the titty-fucking thing is just at the beginning because they want to try it.

V-MAG: What's your favorite position?

BEVERLY PAIGE: I like doggie. I like to get on top and do a split on him. Guys like cowgirl, so my tits are in their face.

V-MAG: What makes you cum?

BEVERLY PAIGE: I have to feel passionate with a guy. When sex is good, it is good. If I connect, and there is passion, I can cum. That needs to happen.

V-MAG: What did you do for us today?

BEVERLY PAIGE: I did some boy-girl, I did a boy-girl-girl tits and tugs and I did my first cream pie and it was amazing.

V-MAG: Are you an exhibitionist?

BEVERLY PAIGE: Yes, I love to be watched. I think that is a big part of it.

V-MAG: Why do you do porn?

BEVERLY PAIGE: I do this because I get to fuck some amazing cock and I get paid. I feel beautiful. I have a great time shooting with people like SCORE and it is something that I enjoy. I want to be in this business until I am a GILF!

V-MAG: Well, we certainly hope you are. Thanks for sitting with us today, Beverly. You were awesome.

Analee Sands

When Analee made her debut as the covergirl of the March 2011 issue, she WOW'ed us with her curves. Then she was back in the July 2011 issue, in her first XXX pictorial EVER. Now, she returns as your private dancer and her dance moves are extra naughty!

Your Private Dancer

Analee is no stranger to making her body move to please others. She is actually a professional belly dancer AND a hot model to boot. So when we asked her to don her belly-dancing attire and show us her sexiest dance, she demonstrated her hip-shaking, belly undulating, tit-quivering and ass-rolling talents without hesitation. Of course, while she danced, her biggest fan, J.C., watched from the wings until he couldn't take it anymore and had to cut in and get inside of Analee as soon as possible. "Most men find belly-dancing to be exotic and erotic. I like to use it as foreplay to seduce my lovers."

"When I dance, my mind and body go to a very sensual place. I am in tune with my hips and each gyration makes me more and more excited," Analee said. You know who else gets excited? Analee's dancing partner, J.C. He feels up every inch of her fleshy, soft body and brings her over to the couch where he lays her down. He sucks her tits and feels up her velvety skin. She lies on her back so he can slide his dick between her 38F cups. Then he slides his shaft inside her and just like that, they are doing the horizontal mambo. And then he coats her tits with his cum and she gets herself a taste.

Renee Ross

Why is **Renee Ross** fucking three guys in one movie? Because she's a big girl with a big appetite for wild sex, that's why! She wraps her J-cups around cocks and gives the three fellas the rides of their lives! Plus, she shows a flat chick why big tits are better...and why she eats pussy better, too! Loaded with naughty jack talk, plus behind-the-scenes bonuses!
